ABOUT US

Axiom College is one of Queensland's leading Computer Training room, Conference and Seminar facilities provider. We offer both short and long term hire in our centrally located, air conditioned modern offices.

Axiom College has been providing room hire facilities to a number of key organisations and happy customers for the past six years.

Our friendly staff will ensure your Axiom College venue hire is an easy, simple and professional experience.

AXiOM College has over 15 years experience in training thousands of industry professionals from government and the private sector – across local and state government; small to large nationals and multi-nationals. Our passion is to provide the highest quality training which will deliver results for our students and their employers and empower our graduates to become leaders in their field. We strive to provide education where individuals and organisations gain the skills and knowledge to achieve their full potential.
